MEMORANDUM FOR BRENT SCOWCROFT

FROM:

W.R. Smyser 

SUBJECT:

Involvement of U.S. Forces in Potential
South Korean Incident

Jack Froebe has asked Dennis Doolin of DOD whether existing instructions to our forces in South Korea are adequate to insure that these forces do not become involved in any incident that might grow out of an opposition challenge to President Park's latest move.

Mr. Doolin believes existing instructions are adequate, but he is double-checking on this and will confirm as soon as possible.
